About me

Passionate about many things, I love music and going to concerts, and I also enjoy collecting vinyl records. I recently discovered that I really enjoy sci-fi books. I am a cat owner and proud dad of a beautiful 3 months old girl!

Marco Mortillaro

Lead/Senior Game Designer

Work Experience

2015 - 2026 | REPLY GAME STUDIOS

Lead Game Designer

During this time, I worked on *Soulstice* and on an unannounced project, managing a design team of six people and focusing primarily on combat and 3Cs.

2012 - 2015 | REPLY GAME STUDIOS

Game Designer

I started as a Game Designer on B2B projects then worked as Gamebook Designer on *Joe Dever's Lone Wolf* and as Lead Game Designer on *Theseus VR* (I became Lead during the project).

2010 - 2012 | BEECREATIVE

Web/App Developer - Game Designer

I worked here as Web/App Developer first then as Developer and Designer of mobile games for toddlers.

Projects

2022 - Today

Unannounced Project

2018 - 2022

Soulstice (PC/PS5/PS4/Xbox Series X|S)

2015 - 2017

Theseus VR (PC/PS4)

2012 - 2015

Joe Dever's Lone Wolf (Mobile/PC/PS4/Switch)

Skills

Creative yet grounded, I specialize in game design, particularly in **combat** gameplay and **3Cs**. I am precise, proactive, and always eager to learn. I consider myself a strong problem solver, able to work well under pressure while maintaining a positive attitude.

Software

Microsoft Office Suite, Helix Plan, Jira, Mantis, Confluence, Unreal Engine, Adobe Photoshop, Trello
